

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2267 - SB 2322

March 24, 2009

SUMMARY OF BILL: Changes from nine to 12, the number of teachers that a school may have before a full-time principal is required.

ESTIMATED FISCAL IMPACT:

Decrease Local Expenditures – Not Significant/Permissive

Assumptions:

- It is unknown how many schools would be affected by this change. According to the Comptroller, any permissive decrease in local expenditures as a result of not hiring a principal is estimated to be not significant.
- LEAs may choose to hire a principal for a school with less than 12 teachers.
- No change to the BEP formula. The BEP provides funding for schools based upon the number of students in a school, not the number of teachers.
